

Will a 230 MW solar power plant be built in Azerbaijan?

On January 9,2020,the Ministry of Energy of the Republic of Azerbaijan and Masdar Company of the United Arab Emirates signed an Implementation Agreement. According to the Agreement,pilot project will be implementedfor the construction of solar power plant with a capacity of 230 MW by "Masdar".

Who is the president of Azerbaijan?

President of the Republic of Azerbaijan Ilham Aliyevand Minister of Industry and Advanced Technology of the United Arab Emirates Sultan Ahmad Al Jaber attended the ceremony. The Garadagh Solar PV Plant is the largest solar power plant in the Caspian region and the CIS. The plant was built at the expense of foreign investment worth \$262 million.

What happened at Garadagh solar PV plant in 2023?

On May 16,2023,Energy Minister Parviz Shahbazov together with the CEO of Masdar Mohamed Jameel Al Ramahi attended the installation process of the first solar panel at the plant and the tree planting action. On October 26,2023,an official inaugurationof the 230 MW Garadagh Solar PV Plant has been held.

Who inaugurated the 230 MW Garadagh solar PV plant?

On October 26,2023,an official inauguration of the 230 MW Garadagh Solar PV Plant has been held. President of the Republic of Azerbaijan Ilham Aliyevand Minister of Industry and Advanced Technology of the United Arab Emirates Sultan Ahmad Al Jaber attended the ceremony.

What types of solar installations do you offer?

Let us know your energy need and we will find the solution. Solar pumping, floating solar, off-grid on-grid, mobile installations and also solar thermal installations. We have done a large variety of projects through the years [Learn More](#)

It was noted that it is planned to install more than 500 thousand solar panels, both faces of which can generate electricity and have a power of 545-550 w each, at present the panels are gradually brought to the area, automated installations for cleaning panels are being tested. It was emphasized that the construction of the 330/35 kV substation is underway, and ...
