

How much does a car battery replacement cost?

In addition, if you have a mechanic install the battery for you instead of doing the work yourself, you'll pay around \$30 in labor. The table below shows a quick price comparison of car battery replacement cost estimates from reputable suppliers:

How much does a car battery installation cost?

If you want to pay to have a mechanic install the battery, that will usually cost you another \$30-\$99. That's because most mechanics have a basic minimum rate that they work for. However, some also offer to install your battery for free providing you buy the new one from them.

What is premium battery replacement?

Premium Battery Replacement: This is our battery replacement service where we use premium parts to give your phone a longer life. All of our Fonehouse technicians are accredited, use genuine parts, offer amazing customer service and will get your damaged device returned to you quickly in excellent condition.

Can a battery pack be repaired?

Repairs work best if the battery pack has recently failed. Note that if it failed several months/years ago and has been left in a discharged state, especially in an unheated outbuilding during the winter months, it's unlikely it will repair well and may require re-celling.

What is the difference between standard battery replacement & premium battery replacement?

Standard Battery Replacement: This is our baseline battery replacement service using good quality parts for a cheaper charge. Premium Battery Replacement: This is our battery replacement service where we use premium parts to give your phone a longer life.

You can easily check the spare parts price by choosing [Product] > [Phone Model] > [Check] then you will see the list of the spare parts price like screen, mainboard, battery, front camera, and more with a reference price of the out-of-warranty product.
