Just in case you do have a battery gas vent system and it is similar to mine I'll try to post a picture of the place it is on my MY 2010.5 3.0 ltr. XF-S diesel. The tube passes through a grommet in the vertical wall of the boot just near the negative end of the battery. The tissue is not part of it, I tried to make the tube show up better. The ...

Understanding polarity is like knowing which way is up and which way is down in a picture. Polarity is all about figuring out the positive and negative sides of something, like a car battery. In a car battery, one side is positive and the other side is negative. It's like having a plus sign on one side and a minus sign on the other.
