

SKOPJE (North Macedonia) - Kemet Electronics, the North Macedonia-based subsidiary of US electronic components maker Kemet Corporation, plans to invest 10 million euro (\$12.1 million) to expand the capacity of its factory in Skopje, North Macedonia's prime minister Zoran Zaev said.

North Macedonia is one of the few countries where the cultivation and manufacturing of medicinal marijuana is legal. The legalization was done on February 9, 2016. The companies that cultivate the cannabis in the country are only free to export the final product such as the extracts, granules, oil for medicine and use as food. No export of the plant is ...

Manufacturer of capacitor banks for power factor correction (PFC). Types include low voltage and detuned capacitor banks. Available with reactive power from 75 to 300 kVAR at 480 V power supply. Features include compact designs, wall mounted, top cable connections, mounting brackets, communication protocols and capacitor-switching duty ...

Yageo Corp., the world's third-largest supplier of multilayer ceramic capacitors, has decided to invest 205 million euros (225 million dollars) in North Macedonia over the next 10 years. The company signed an agreement with the North Macedonian government to build new factories in technological industrial development zones (TIDZ) in Skopje ...

Global electronic component and service provider YAGEO Corporation (2327 TW) ("YAGEO") announced today to invest more than Euro 205 million in next ten years in North Macedonia to expand its operations in Europe. The investment includes new plants in Technological Industrial Development Zones (TIDZ) in the city of Skopje and Stip.

KEMET Electronics opened its first production facility in North Macedonia in 2012 as part of the Technological Industrial Development Zone in Skopje where it produces capacitors and filters.

Weiqing Electronics Co., Ltd_ Capacitor Factory_ Capacitor City product details Weiqing capacitor manufacturer specializes in the research and development, production of thin film capacitors, safety capacitors, and resonant capacitors

Progressively emerging as a potential hub for automotive components production and bus manufacturing; North Macedonia can nonetheless claim relevant engineering and manufacturing capabilities, which are a legacy of the automotive component supplier's network for the Zastava plant in Serbia since the 1960s;

Kemet Electronics, the North Macedonia-based subsidiary of US electronic components maker Kemet

Corporation, plans to invest 10 million euro (\$12.1 million) to expand the capacity of its factory in Skopje, North Macedonia's prime minister Zoran Zaev said.

KEMET Electronics opened its first production facility in North Macedonia in 2012 as part of the ...

Capacitors mainly include ceramic capacitors, aluminum electrolytic capacitors, tantalum capacitors, film capacitors, etc. How to find a reliable capacitor manufacturer is very vital to electronic projects. Here is a list about top 10 capacitor listed ...

They have design centers and sales offices throughout North America, Europe and Asia and have ISO9001 international quality standard and ISO14001 environmental management standard. Vishay Intertechnology, Inc., ...

The company, which supplies passive components, such as chip resistors, inductors, tantalum capacitors and multi-layer ceramic capacitors, said that it would build plants in the Technological Industrial Development Zones (TIDZs) in the capital, Skopje, and the city of Stip in the country's east.

How can you choose a good cost-effective brand in a large number of brands?BroElectric comprehensive brand awareness of each capacitor, quality level, after-sales service, innovation, consumer reputation and other indicators of the comprehensive selection, released this list of data to facilitate your choice of capacitor brand reference to use.

WENLING JIAYANG CAPACITOR CO., LTD is a professional manufacturer of all kinds of metallized polypropylene film capacitors. We specialize in CBB and CD series capacitors, which are widely used for micro water pump, washing machine, cleaning machine,air compressor etc. Address: Wenling City, Zhejiang Province, China

Guangzhou HU Technology Co., Ltd. is a professional manufacturer of capacitors and resistors. We mainly produces SMD and dip capacitors and resistors. Also, we distribute electronic components including SMD capacitors and resistors from well-known brands such as Samsung, Yageo, Fenghua etc. We pass international authoritative certifications including ISO9001, ...
