

China-Africa International New Energy Battery Exhibition

What is China International battery industry fair (cnibf)?

China International Battery Industry Fair (CNIBF) is one of the largest battery show in Asia. As one of the best battery industry trade platform,CNIBF di. CNIBF 2024 is held in Shenzhen,China,from 4/24/2024 to 4/24/2024 in Shenzhen Convention &Exhibition Center.

How many exhibitors are attending World battery industry expo 2024?

More than 800 high-quality exhibitors attended World Battery Industry Expo 2023,including as many as 350 leading battery manufacturers offering the latest solutions for electric vehicles,energy storage,3C products,smart terminals and other electronic devices and appliances.

Why is Shanghai National Convention & Exhibition Center important?

In conclusion, it should be noted that the Shanghai National Convention and Exhibition Center in Shanghai, where CNIBF is held, is one of the leading exhibition centers in China. It is easily accessible by public transportation and reflects the dynamism and innovation of the city of Shanghai, mirrored in the CNIBF trade fair.

How many exhibitors were at China Import & Export Fair 2023?

Held from August 8th-10th,2023,at the China Import and Export Fair Complex in Guangzhou,the expo spanned over 100,000 square meters,occupying 8 exhibition halls with 3,957 booths. The event saw participation from 1,205 companies,including 476 exhibitorsspecializing in battery cells,packs,and energy storage solutions.

Who are the professional visitors of battery industry chain?

The professional visitors in the battery industry chain include battery manufacturers,material,equipment,accessories suppliers,governments,associations,research institutes,universities,investment and financing fields,industry service providers,and media.
