

FEEO FPV-63 series of DC Mini Circuit Breaker (DC MCB) is designed for solar system. Rated current contains 6A,10A,16A,20A,25A,32A,40A,50A,63A. Rated voltage of 4Poles is 1000VDC,even can be customized to 1200/1500VDC.

MEANRAY is one of the most professional solar circuit breaker manufacturers and suppliers in China, specialized in providing high quality customized products. Please feel free to buy or wholesale cheap solar circuit breaker in stock here from our factory. Contact us for free sample.

We are pleased to introduce the Photovoltaic 800v Molded Case Circuit Breaker from Zhejiang CCIOT Technology Co., Ltd. This circuit breaker is specifically designed for use in photovoltaic systems, providing reliable overcurrent protection and disconnecting capabilities for solar panels and other solar equipment, With a voltage rating of 800v ...

Solar Circuit Breaker. Product Size:10x38mm, 1-30A; Product Material: Ceramic, Copper; These fuse links are capable of interrupting low overcurrents associated with faulted photovoltaic string arrays (reverse current multi-array fault).

WEAG Electric Co.,Ltd: We're well-known as one of the leading solar photovoltaic, circuit breaker, contactor, fuse switch, isolator switch manufacturers and suppliers in China. If you're going to wholesale bulk high quality ...

ADELS is one of the manufacturers specialized in high quality DC Circuit Breaker products in China. The DC circuit breaker we produce is mainly used in photovoltaic solar power system, suitable for DC solar combination box, controller, etc., with effective disconnection and anti-reflux protection function, protect the circuit from short ...

PV Circuit Breaker DC MCB (XNC-125) Product Description: 4p Dc Mcb Application: XNC-125 Solar system DC MCB,apply to rating current 63A-125A, It is mainly used for the overloading and short circuit protection in DC distribution system equipment and electric equipment.

CNLonQcom is one of leading manufacturers and suppliers in China, specializing in the production of cam switch, solar connector, DC circuit breaker, etc. We can provide customers with quality assurance, fast. You can rest assured to buy ...

We are one of the manufacturers and suppliers of Solar Photovoltaic System Circuit Breaker in China. If you buy it now, it is in stock, and we can also ...

Heschen DC Molded Case Circuit Breaker MCCB, Hsm1PV-250, 2 Poles, DC550V 200A, Photovoltaic Circuit Breaker, for Solar PV Mcc, Find Details and Price about Moulded Case Circuit Breaker DC Breaker from Heschen DC ...

At BENY, we take pride in being a leading photovoltaic DC circuit breaker manufacturer in China. With 30 years of industry experience, we understand what the market needs, and manufactures modular modular circuit breakers based on your specifications.

As one of the leading two pole solar circuit breaker manufacturers and suppliers in China, we warmly welcome you to buy two pole solar circuit breaker in stock here from our factory. All products are with high quality and competitive price. For free sample, contact us now. +8618357712121 sales@yroele +8618357712121 No. 463, Guang'an Road, Wuniu ...

Enhance the safety and efficiency of your photovoltaic systems with the China Photovoltaic DC ...

WEAG Electric Co.,Ltd: We're well-known as one of the leading solar photovoltaic, circuit breaker, contactor, fuse switch, isolator switch manufacturers and suppliers in China. If you're going to wholesale bulk high quality customized products, welcome to get more information from our factory. For price consultation, contact us.

Shop Photovoltaic DC Circuit Breaker for Efficient Solar Power Systems. Introducing the ...

YJB1Z-125 DC Circuit Breaker Rated voltage: DC 440V Current rating: 125A Number: 2P our sevice: Upon receipt of our products, if you are not satisfied with the quality or concerned, you can return it within 3 days after receiving our products, but only if products need to keep intact and original; any returns arising from the cost of freight and customs, will be borne by the ...
