

How to install the battery in the Gold Medal Modular Power Supply

How do I connect a power supply?

Connect the D+ or ignition + signal wire to the POWERSERVICE Pin n#176;4. Only for GOLD models: connect the 230VAc mains supply to the input IEC connector. Link the connection after the general system safety switch (rcd switch). Use high quality (and in good condition) cables for TV antennas and other transceivers.
