

Founded in 2002, Huijue Group is a well-known manufacturer of energy storage equipment and energy storage systems, providing customers with optimal energy storage system solutions and a full range of safe and efficient energy storage ...

Our comprehensive portfolio of smart battery energy storage systems (BESS) caters to diverse needs, ranging from industrial and commercial applications to residential setups and even ...

Founded in 2002, Huijue Group is a leading Energy Storage Equipment Manufacturers, a high-tech service provider integrating intelligent network communication equipment, new energy and applications. Huijue Group products are exported to Europe, North America, Southeast Asia and other countries and regions.

Our comprehensive portfolio of smart battery energy storage systems (BESS) caters to diverse needs, ranging from industrial and commercial applications to residential setups and even remote base stations.

Huijue Group's new generation energy storage inverter can meet the needs of photovoltaic and energy storage systems at the same time. It can not only realize grid-connected and off-grid functions, but also realize two-way control of electric energy. Intelligent control can achieve a high degree of autonomous dispatch of energy; touch screen It can conveniently, quickly and ...

Shanghai Huijue Network Communication Equipment Co., Ltd. (Huijue Group) specializes in energy storage solutions, offering integrated optical storage, charging microgrids, scheduling ...

Huijue Group prioritizes customer-centricity by delivering value through innovative products and services. We offer cutting-edge, energy-saving, and reliable energy storage systems solutions to major international operators. Our commitment extends to providing high-quality green digital experiences for work, life, and travel.

Outdoor energy storage cabinet HJ-SG-C type: This series of products has built-in PCS, EMS, on-grid switching unit, power distribution unit, temperature control system, BMS system, fire protection system, anti-surge device, etc. Cabinet design, easy to transport. This product supports power output of 30KW~90KW, and the system capacity is 100KWH ...

Established in 2002, Huijue Group is a high-tech manufacturer specializing in intelligent network communication equipment. Renowned for its cutting-edge innovations in energy storage systems, the company aspires to lead the way in both communication and energy sectors.

Huijue's Smart BESS revolutionizes energy storage, integrating cutting-edge technology for industrial,

commercial, and residential use. Our Smart BESS solutions cover a wide range of ...

Huijue Group's container energy storage is composed of 10/20/40-foot prefabricated cabins. It is a kind of energy storage battery system, energy management system, monitoring system, temperature control system and fire protection system that meets megawatt power output requirements. System-in-one energy storage device.
