

How do I get a free solar panel?

You can also give us a call at 1-800-SUNPOWER to speak with a solar advisor today. While "free solar panel" offers are common, that's usually not the whole story. Often, it's actually a solar lease or power purchase agreement with \$0 down, meaning "free" only lasts until the first monthly payment is due.

Are solar panels free?

You may see some solar panel companies advertise their panels as "free" or "no cost." In most cases, these companies are describing a solar lease or solar power purchase agreement (PPA) type of program. Under these agreements, the company installs solar panels on your roof or property for no upfront to you; hence, the "free" terminology.

Can I install solar panels myself?

It is possible to install the panels yourself, if you purchase solar-panel installation 'kits', which may include panel providers sending a certified electrician to sign-off on regulatory paperwork and check your installation. Read also: French city's plan to encourage residents to invest in solar panels What can I do with surplus energy?

Does the Department of energy offer free solar panels?
