

BNC tracks and updates on over live construction projects and tenders in Juba. The project involves the construction of a 40,000 barrels per day (bpd) modular refinery in Paloch, Upper ...

Egyptian Stock Exchange-listed (EGX) integrated energy and infrastructure service provider, Elsewedy Electric has won a \$45m contract from the Sudan's Ministry of ...

Egyptian Stock Exchange-listed (EGX) integrated energy and infrastructure service provider, Elsewedy Electric has won a \$45m contract from the Sudan's Ministry of Energy and Dams to build a 20MWp hybrid solar photovoltaic plant with ...

BNC tracks and updates on over live construction projects and tenders in Juba. The project involves the construction of a 40,000 barrels per day (bpd) modular refinery in Paloch, Upper Nile state of South Sudan. The project undertaken by South Sudanese oil marketing giant Trinity Energy Ltd. will supply the East African re...

The Egyptian company Elsewedy Electric has recently won the contract to build a 20 MWp solar power plant in Southern Sudan. Located near the capital Juba, it will be equipped with a battery storage system.

That BESS project was an 8-hour duration lithium-ion (Li-ion) project submitted by RWE, with 50MW output to 400MWh capacity, as reported by Energy-Storage.news in May. 980MW/2790MWh of BESS, 95MW of VPP win contracts. This time out, there were no long-duration energy storage (LDES) winners. Instead, two of the three selected BESS projects ...

NHPC has invited bids for setting up 1.2 GW Inter-State Transmission System (ISTS)-connected solar power projects with a 600 MW/12,000 MWh energy storage system (ESS) and an additional greenshoe option up to 1.2 GW.. The last date to submit bids is October 18, 2024. Bids will be opened on October 21. The project should be completed within 24-30 ...

The South Sudan Urban Water Corporation invites sealed bids from eligible bidders for the construction works for small solar-powered water supply systems in ...

BNC tracks and updates on over live construction projects and tenders in Juba Trinity Energy - Crude Oil Modular Refinery Juba, South Sudan (updated: December 4, 2024) The project involves the construction of a 40,000 barrels per day (bpd) modular refinery in Paloch, Upper Nile state of South Sudan. The project undertaken by South Sudanese oil marketing giant Trinity ...

Two new companies, precisely the United Arab Emirates-based Asunim Solar and the renewable energy solutions consultancy company I-kWh company, have joined forces ...

Polish utility PGE Group has launched a tender for the design and construction of a battery storage facility with a minimum capacity of at least 900 MWh. Meanwhile, Ukraine's DTEK has completed the acquisition of a 532 MWh battery storage project in southern Poland. Polish state-owned energy company PGE Group announced a tender for the ...

The Juba Solar Power Station is a proposed 20 MW (27,000 hp) solar power plant in South Sudan. The solar farm is under development by a consortium comprising Elsewedy Electric ...

Built on a 25-hectare piece of land near Nesitu County, approximately 20km from Juba, the future photovoltaic solar power plant will consist of a 20MWp solar photovoltaic park, a 35MWh battery storage system to serve the state of Jubek and the entire region.

The Juba Solar Power Station is a proposed 20 MW (27,000 hp) solar power plant in South Sudan. The solar farm is under development by a consortium comprising Elsewedy Electric Company of Egypt, Asunim Solar from the United Arab Emirates (UAE) and I-kWh Company, an energy consultancy firm also based in

Located near the capital Juba, it will be equipped with a battery storage system. A solar photovoltaic power plant will be built in Southern Sudan. The contract for the construction of this facility has been awarded to the Egyptian company Elsewedy Electric.

Two new companies, precisely the United Arab Emirates-based Asunim Solar and the renewable energy solutions consultancy company I-kWh company, have joined forces towards the implementation of the Juba solar PV-plus-storage project in South Sudan.
