

Which EV maker has filed for bankruptcy?

The most high-profile EV maker bankruptcy in recent months has been Fisker, maker of the Ocean SUV. It filed for Chapter 11 bankruptcy in June 2024, after initial order levels for its debut production model fell short of internal expectations.

Which companies have opted for Chapter 11 bankruptcy protection?

In recent years several Swedish companies have opted for Chapter 11 bankruptcy protection filings, such as Scandinavian airline SAS and debt collector Intrum, a process that allows management to retain control over the company and run operations.

Are EV startups going bankrupt?

While a big wave of EV startups have gone bankrupt in the years since the pandemic began, some didn't make it that far. Zhidou was one of China's earliest EV startups, being founded in 2006, and at one point it looked like it was destined for success.

Who monitors bankruptcy filings & liquidation news?

Intelligence monitors bankruptcy filing, insolvency & liquidation news, and public announcements by companies. Following is the curated list of major companies that have recently filed for bankruptcy.

Why did WM Motor go bankrupt?

Despite having financial backing from some of the country's biggest tech giants, China's WM Motor couldn't carve out a big enough slice of its home market and filed for bankruptcy in October 2023. By the time it ran out of cash, the company's lineup had expanded to five models manufactured across two facilities.

Will a startup relaunch if GM goes bankrupt?

Going bankrupt isn't necessarily the end of the road for an automaker - just ask GM - but it seems unlikely that many of the current crop of startups will be able to relaunch. These failed startups are all at various stages of the bankruptcy process, with some gone for good and others emerging as shells of their former selves.

In 2022, only a handful of companies went under. But this doesn't mean that retail is out of the woods just yet. ... In March 2021, R.P. Acquisition Corp. announced that it would be acquiring the bankrupt company and reopening its stores under new ownership.
