

# New Energy Battery Warranty Standard First Purchase

What is the warranty length for a new battery?

The warranty for this battery consists of 18 months free replacement. Note: 825 Cold cranking Amps and 130 reserve minutes. Warranty consists of 2 years free replacement for the Yellow Top (Deep Cycle) battery. Height adapter may be required, check hood clearance. Battery is vented to the outside of the vehicle.

Do Super start batteries come with a warranty?

Super Start® batteries for your car, truck, SUV, or marine vehicle include a nationwide warranty and free replacement (up to 3 years, depending on type). The Power, Performance, and Reliability (TM) of Super Start® is also available with state-of-the-art AGM (absorbed glass mat) technology.

Do EVs come with a warranty?

Like traditional internal combustion engine-powered vehicles, all new EVs come with a vehicle warranty on first registration- but car manufacturers also include a separate battery warranty. So, what do they cover and what should you look for when buying an EV?

Does a car warranty cover a battery pack failure?

Some car manufacturers only cover a battery pack failure, whereas other brands guarantee that it will retain at least 70 per cent health in the warranty period - otherwise a free replacement of the degraded modules may be offered.

Do electric cars have a warranty?

Electric vehicle and battery longevity are one of the many concerns for buyers looking to switch into zero exhaust-emissions motoring. Like traditional internal combustion engine-powered vehicles, all new EVs come with a vehicle warranty on first registration- but car manufacturers also include a separate battery warranty.

What is the best EV warranty?

While most EV battery warranties cover for eight-years/160,000km, Lexus claims its RZ luxury electric crossover can retain 90 per cent battery health after 10 years (but only warrants it for 70 per cent overseas).

Like traditional internal combustion engine-powered vehicles, all new EVs come with a vehicle warranty on first registration - but car manufacturers also include a separate battery warranty. So, what do they ...

**Battery Warranty Length:** Tesla's battery warranty length is typically for 8 years from the purchase date.
