

How much BMZ is investing in North Macedonia?

It is not known how much the company is investing in the North Macedonia site or what kind of batteries are produced there. In July, BMZ Group signed a strategic cooperation agreement with CALB (China Lithium Battery Technology) for the development and production of batteries for electric commercial vehicles.

Will BMZ open a production site in Macedonia?

The German battery manufacturer BMZ Group wants to open a production site in northern Macedonia. The corresponding agreement with the government there has already been signed. More than 60 production lines are to be built there by 2028.

Why did BMZ choose North Macedonia?

The battery manufacturer says it decided on a location in North Macedonia for various reasons - on the one hand, North Macedonia is known for its "investor-friendly policies" and the company sees the "enormous growth opportunities of BMZ". On the other hand, the company suffers from a shortage of skilled workers in Germany as well as in Poland.

Will BMZ start a battery production in Skopje by 2028?

The corresponding agreement with the government there has already been signed. More than 60 production lines are to be built there by 2028. According to its own information, BMZ wants to start battery production initially in a rented building in the metropolitan region of Skopje.

BMZ North Macedonia, a subsidiary of Germany's BMZ Group, announced the start of construction on a new battery factory in the country, with an investment of EUR65 million (\$71.9 million). The new facility, which is set to commence production in May, will feature 40 production lines and create between 770 and 1,000 jobs, according to Jelica ...

Frankfurt/Skopje, 04 September 2023, dtt-net - The Frankfurt-based manufacturer of lithium-ion battery systems today signed an agreement with the government of north Macedonia for an investment of 65 Euro million for a new production factory in the EU candidate country and expected to employ some 755 people.

This report analyzes the North Macedonian lithium batteries market and its size, structure, production, prices, and trade. Visit to learn more.

Macedonia / Germany - Last month BMZ Germany GMBH, a subsidiary of the BMZ Group, a battery manufacturer for commercial vehicles, based in Karlstein am Main, ...

BMZ EXPANDS TO NORTH MACEDONIA . Karlstein am Main, Germany, September 5th, 2023 - BMZ Group, a global specialist in lithium -ion batteries, is pleased to announce the latest ...

In a boost to North Macedonia's industrial landscape, the German BMZ Group has commenced construction on a new EUR65 million factory in the Technological-Industrial Development Zone in Skopje, dedicated to the production of lithium-ion batteries

Moreover, lithium-ion batteries are simply more efficient than lead-acid batteries, which means that more solar power can be stored and used in lithium-ion batteries. Lead-acid batteries are only 80%-85% efficient, depending on the model and condition. This means that if there are 1,000 watts of solar coming into the batteries, there are only 800--850 watts available after the ...

In its business plan BMZ plans to invest in both new lines, as well as relocate production lines from their facilities in Germany and Poland to North Macedonia with various automation level. BMZ emphasizes that no job cuts are planned in Germany or Poland in connection with this step.

BMZ EXPANDS TO NORTH MACEDONIA . Karlstein am Main, Germany, September 5th, 2023 - BMZ Group, a global specialist in lithium -ion batteries, is pleased to announce the latest milestone in the corporations global expansion plans: BMZ is about to found its fith " global production site in North Macedonia.
