Hi @dankelly736, . When you plug the charging cable into your Outdoor Camera, do you see any indication in the mobile app that the camera is charging? In the Cameras page of the app, there should be a lightning bolt next to the battery to indicate that it's charging. If replacing the camera has not helped, a replacement power cable may be the solution.

Outdoor Power Adapter + L-shaped USB-C Adapter works with Battery Cam Pro. The total length of the cable is 12.5 ft (3.8 m), with the AC cord and DC cables together. Wyze Outdoor Power Adapter includes wire clips, screws, screw anchors, and a cable wrap. These accessories are designed to hold the adapter and cable to the wall.

The weatherproof cable (in 5 m and 10 m) and power adapter keep your Nest Cam connected with continuous power.

Convenience-6.5Ft/2m extension power cable allows you to position your camera indoor or outdoor your house without worrying the distance. Flat cable can pass through small gaps, such as doors and windows.
