

What is energy storage exhibition?

It provides an international exhibition platform for energy storage industry participants from around the world that integrates display trading, technical exchange, high-end seminars, business cooperation, publicity and promotion, product display, new product launches, and more.

How many energy storage companies are exhibiting at the Expo?

The trade show is expected to draw 350,000 industry visitors with more than 1,500 core energy storage enterprises exhibiting. International participants can take advantage of the Expo's InterBiz program, which offers energy storage business matchmaking.

Why should you attend energy storage Expo?

From connecting with 150,000+ of your peers to doing business with 600+ exhibitors, It's an exhibition that yields benefits throughout the entire year. Preview the latest energy storage products and solutions, tune in to the latest industry trends and expand global business networks.

What is China International Energy Storage Expo (Eesa Expo)?

The China International Energy Storage Expo (EESA EXPO), organized by the Electrical Energy Storage Alliance (EESA), will be held from 2-4 September 2024 at the National Exhibition and Convention Center in Shanghai, China, with over 1,500 core energy storage enterprises covering an estimated 180,000 m<sup>2</sup>.

Will Nova Scotia deploy battery energy storage systems?

This comprehensive reform package is designed to Nova Scotia Plans to Deploy Battery Energy Storage Systems! As the most professional, international and large-scale energy storage conference and exhibition in the global industry, ESTEC (Energy Storage & Smart Energy Technology Exhibition & Conference) is held annually.

How many people attend Eesa Expo?

More than 350,000 industry visitors are expected to attend. The EESA EXPO has positioned itself as the event for spotting industry trends, and organizers aim to be a leading industry platform for business cooperation and global brand promotion.

Electricity Pakistan is Pakistan's premier exhibition for Energy, Storage and Power industry. It is a dedicated platform for manufacturers, suppliers, distributors, users and energy storage solutions providers. Participants from governments, utilities, independent energy producers, energy storage products manufacturers, consulting companies, associate as well as other related sectors are ...
