

Although this 10R-A0205 looks like the battery pack for the SMH10R, it won't work because the end connectors are different. Instead you need Sena battery part number SG-A0301. Instead of sending things back and re-ordering, I did some MacGuyvering and installed the A0205 wire onto my original harness. FYI, connect the RED wire from the A0205 to ...

The Powerbank comes with a coiled charging cord and is capable of charging any 5V input USB-charged device, including all Sena headsets and cameras as well as most smartphones. The ...

Although this 10R-A0205 looks like the battery pack for the SMH10R, it won't work because the end connectors are different. Instead you need Sena battery part number SG-A0301. Instead ...
