Installateurs de panneaux solaires Français - montrant les entreprises en France qui entreprennent des installations de panneaux solaires, y compris sur le toit et les systèmes ...

What is alarming, though, is a lack of transparency from installers about who will install your system and why they use subcontractors. When you've narrowed down your list of potential solar installers, be sure to ask who will install the system: their own crew, or subcontractors. If they use subs, ask why, what portion of the install the system is done by subcontractors, and how much it costs.
