We chose the AloftSun Solar Motion Sensor Outdoor Lights as the overall best solar lights for their durability, water resistance, and motion-sensing capabilities. If you're looking for a set of string lights, we loved the Brightech Ambience Pro Solar Powered Outdoor String Lights, because they held up to water and freezing temperatures.

Outdoor solar lights can light up your walkway, backyard, or porch without the need to find an electrical outlet or worry about running low on battery. But finding the right solar lights for you can depend on several factors, as well as your budget.
