

What is the Energy NL Conference & Exhibition?

With over 30 speakers and a program developed to inform and engage the sector about the current energy market - including updates on offshore oil and gas and onshore wind projects - the Energy NL Conference & Exhibition is the region's leading energy event.

When is Energy NL Conference & Exhibition 2024?

(St. John's, NL - Monday, June 3, 2024) Energy NL is readying for upwards of 1,000 delegates, exhibitors, speakers, and guests to attend the Energy NL Conference & Exhibition 2024 beginning tomorrow at the St. John's Convention Centre.

Why does Canada support green energy projects in Saint John?

The Government of Canada is pleased to support this important initiative in Saint John, co-led by the Neqotkuk First Nation. "One of our traditional values as a nation is to take care of the environment. Green energy projects are going to start taking over, and they're going to dominate, and that's the way of the future."

How will a battery system help Saint John energy?

The battery system may also help Saint John Energy provide power to customers during power outages due to storm events. The project will support a greener grid in New Brunswick and reduce greenhouse gas emissions, while supporting an equitable transition to an electrified economy.

What is the Energy Storage Summit?

Our Summit aims to highlight the fundamental role that energy storage will play in this journey, and will strive to recognise, explore and analyse key challenges that may present themselves on the trajectory ahead. One scenario estimates Europe will reach 29.6 GWh of installed capacity by the end of 2024, marking a 72% increase YoY.

Why is Energy NL important?

It is a significant opportunity for Energy NL members, but also the wider energy sector and business community, as well as all residents, to understand these resource projects, along with the latest trends and activities in the global energy sector, including carbon capture, ESG practices, Indigenous engagement, and energy policy."
