

For resistors and caps I suggest you buy an assortment pack. It's great to have a bunch of different values around, rather than having to go to the store (radio shack) and paying 500% the normal cost every time you change plans.

Where to Buy Capacitors Online? When buying capacitors online, several factors will influence your decision. The goal is to find a supplier who provides high-quality components while meeting your project's technical requirements. Here are some key points to keep in mind: 1. Supplier Reputation. When sourcing components, a supplier's reputation is ...

If you're looking to buy instead of rent, you'll be happy to know that apartments in Skopje are relatively affordable compared to most European countries. Prices for a one-bedroom apartment in the city center start at around EUR100,000+. Of course, depending on what you're looking for and in which area, there are much higher and much lower price tags than ...

To use the buses in Skopje you'll need to buy a bus card for 150 MKD at a green kiosk, one of which is found at the main bus station. Coming in from Skopje Airport to the city center, you have the option of a reasonably ...

Digikey and Mouser are good for buying a few one offs for projects. You'll pay more per part, but more likely to get exactly what you want and higher quality parts generally. Plus their sorting options make it easier to find what is for sure the correct part.

So, if this sounds like a great spot for your next holiday, it's time to think about where to stay in Skopje! I am a proud Macedonian, and I know Skopje like the back of my hand (and love it!). In this post, I compare all the Skopje areas, as well as all the accommodation options in the city. I made a list of the 6 best neighborhoods in ...
