

Who is the best solar installation company in Zambia?

Ganesh Power Solutions is the best in Zambia when it comes to sustainable energy installations. All of their work during the installation was done perfectly, and quickly too. I highly recommend them for their professionalism, depth of knowledge, and overall willingness to make solar happen at the lowest possible cost.

**Coating Options** We recommend a coating for the panel based on your durability, cost, and design constraints. The four options are: Urethane: Highly UV resistant and durable. Our urethane solar panels last up to 10 years in the sun with minimal power degradation. The urethane coating is poured or "potted" on the solar cells and leads to a highly waterproof panel.
